INDEPENDENT AUDITORS' REPORT

To the Board of Directors Hands Across the Sea, Inc. Boston, Massachusetts

Opinion

We have audited the accompanying financial statements of Hands Across the Sea, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Hands Across the Sea, Inc. as of December 31, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hands Across the Sea, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hands Across the Sea, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Page 1

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, and design and perform audit procedures responsive to those risks. Such procedures
 include examining, on a test basis, evidence regarding the amounts and disclosures in the financial
 statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of Hands Across the Sea, Inc.'s internal control. Accordingly, no such opinion is
 expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant
 accounting estimates made by management, as well as evaluate the overall presentation of the
 financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hands Across the Sea, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Notes to Financial Statements December 31, 2022 and 2021

1. Nature of the Organization and Summary of Significant Accounting Policies:

Nature of the Organization

Hands Across the Sea, Inc. (the "Organization") was incorporated in the Commonwealth of Massachusetts in 2007. The Organization's primary purpose is to raise the literacy levels of Caribbean children by assisting schools and libraries in the Eastern Caribbean communities. Hands Across the Sea, Inc. is dedicated to raising children's literacy in the Eastern Caribbean by sending new books, creating libraries and lending systems, fostering ongoing sustainability with mentoring and professional development, and bridging library literacy with community engagement.

Summary of Significant Accounting Policies

Recent Accounting Pronouncements:

In September 2020, the FASB issued ASU 2020-7, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*, which should be applied on a retrospective basis, and is effective for annual periods beginning after June 15, 2021. The standard requires the presentation of contributed nonfinancial assets as a separate line item in the statement of activities, apart from contributions of cash and other financial assets, and disclosure of contributed nonfinancial assets by category that depicts the type of contributed nonfinancial assets, for each category, qualitative information about whether these contributions were either monetized or utilized during the reporting period with a description of the programs or other activities in which those assets were used, a description of the valuation techniques used, and other matters.

This standard became effective for the Organization's year ended December 31, 2022.

The Organization prepares its financial statements in accordance with generally accepted accounting principles promulgated in the United States of America (U.S. GAAP) for not-for-profit entities. The significant accounting and reporting policies used by the Organization are described subsequently to enhance the usefulness and understandability of the financial statements.

A. Basis of Accounting and Financial Statement Presentation:

The Organization prepares its financial statements using the accrual basis of accounting and accounting principles generally accepted in the United States of America.

Notes to Financial Statements December 31, 2022 and 2021

1. Nature of the Organization and Summary of Significant Accounting Policies: (Continued)

Summary of Significant Accounting Policies: (Continued)

B. Use of Estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the reporting period and the reported amounts of assets and liabilities at the date of the financial statements. On an ongoing basis, the Organization's management evaluates the estimates and assumptions based on historical experience and various other factors and circumstances. The Organization's management believes that the estimates and assumptions are reasonable in the circumstances; however, actual results could differ from those estimates.

C. Net Assets:

The financial statements report net assets and changes in net assets in two classes that are based upon the existence or absence of restrictions on uses of the funds that are placed by its donors, as follows:

Net Assets Without Donor Restrictions

Net assets without donor restrictions are resources available to support operations. The only limits on the use of these net assets are the broad limits resulting from the nature of the Organization, the environment in which it operates, the purposes specified in its corporate documents and its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations.

Net Assets With Donor Restrictions

Net assets with donor restrictions are resources that are restricted by a grantor or donor for a particular purpose or for use in a particular future period. Some donor-imposed restrictions are temporary in nature, and the restriction will expire when the resources are used in accordance with the grantor or donor's instructions or when the stipulated time has passed. Other donor-imposed restrictions are perpetual in nature; the Organization must continue to use the resources in accordance with the donor's instructions. For fiscal years 2022 and 2021, there were no perpetual restrictions.

Notes to Financial Statements December 31, 2022 and 2021

1. Nature of the Organization and Summary of Significant Accounting Policies: (Continued)

Summary of Significant Accounting Policies: (Continued)

C. Net Assets: (Continued)

Net Assets With Donor Restrictions (Continued)

When a donor's restriction is satisfied, either by using the resources in the manner specified by the donor or by the passage of time, the expiration of the restriction is reported in the financial statements by reclassifying the net assets from net assets with donor restrictions to net assets without donor restrictions. Net assets restricted for acquisition of property and equipment, if applicable (or less commonly, the contribution of those assets directly) are reported as net assets with donor restrictions until the specified asset is placed in service by the Organization, unless the donor provides more specific directions about the period of its use.

D. Classification of Transactions:

All revenues and net gains are reported as increases in net assets without donor restrictions in the statement of activities unless the grantor or donor specified the use of the related resources for a particular purpose or for use in a future period. All expenses and net losses are reported as decreases in net assets without donor restrictions.

E. Cash and Cash Equivalents, and Monetary Risk:

The Organization considers all short-term investments with original maturities of three months or less when purchased to be cash equivalents.

The Organization maintains its cash in bank deposit accounts that, at times, may exceed federally insured limits. The Organization has not experienced any losses in such accounts and management believes it is not exposed to any significant risk on cash deposits. At December 31, 2022 approximately \$3,700 held at one financial institution was uninsured.

F. Contributions Receivable:

Contributions receivable are unconditional promises to give that are recognized as contributions when the promise is received. Contributions receivable that are expected to be collected in less than one year are reported at net realizable value. Contributions receivable that are expected to be collected in more than one year are recorded at fair value at the date of promise. If significant, that fair value is computed using a present value technique applied to anticipated cash flows. Amortization of the resulting discount is recognized as additional contribution revenue.

Notes to Financial Statements December 31, 2022 and 2021

1. Nature of the Organization and Summary of Significant Accounting Policies: (Continued)

Summary of Significant Accounting Policies: (Continued)

F. Contributions Receivable: (Continued)

The valuation allowance for uncollectible contributions receivable, if required, is determined based on management's evaluation of the collectability of individual promises. On a periodic basis, the Organization evaluates its contributions receivable and establishes an allowance for doubtful accounts, when deemed necessary, based on its history of past write-offs and collections and current credit conditions.

G. Accounting for Grants and Contributions:

Grants and contributions, including unconditional promises to give, are recognized when received. All grants and contributions are reported as increases in net assets without donor restrictions unless use of the contributed assets is specifically restricted by the donor. Amounts received that are restricted by the donor to use in future periods or for specific purposes are reported as increases in net assets with donor restrictions. Unconditional promises with payments due in future years have an implied restriction to be used in the year the payment is due, and therefore are reported as restricted until the payment is due, unless the contribution is clearly intended to support activities of the current fiscal year. Conditional promises, such as matching grants, are not recognized until they become unconditional, that is, until all conditions on which they depend are substantially met.

H. Contributed Assets and Services:

Contributions of securities and other assets are recorded at fair values on the dates of the contributions.

The Organization uses individuals who volunteer their time to perform a variety of services, primarily fundraising; however, no amounts are recorded since these services do not require specialized skill, and thus do not meet the recognition criteria under current accounting standards as promulgated in the United States of America. See Note 10 for a summary of the contributed services that have been recorded.

I. Book and Educational Kit Inventory to be Distributed:

Book and educational kit inventory to be distributed consists of books and educational materials that were donated to the Organization and had not yet been distributed at year's end. These books and materials have been recognized at fair value and are expected to be used in the Organization's program in future years.

Notes to Financial Statements December 31, 2022 and 2021

1. Nature of the Organization and Summary of Significant Accounting Policies: (Continued)

Summary of Significant Accounting Policies: (Continued)

J. Expense Recognition and Allocation:

The cost of providing the Organization's programs and other activities is summarized on a functional basis in the statement of activities and the statement of functional expenses. Expenses that can be identified with a specific program or support service are charged directly to that program or support service.

Costs common to multiple functions have been allocated among the various functions using a reasonable allocation method that is consistently applied, as follows:

- Personnel costs are all allocated based on estimates of time provided to each function.
- Fees for services costs are allocated based on estimates of time provided to each function.
- All other costs are generally allocated by function using specific identification.

When program or service efforts change, the bases on which costs are allocated are reevaluated.

Management and general expenses include those costs that are not directly identifiable with any specific program, but which provide for the overall support and direction of the Organization.

Fundraising costs are expensed as incurred, even though they may result in contributions received in future years. Additionally, public relations and marketing costs (and advertising costs, if any) are expensed as incurred.

K. Tax Status:

The Internal Revenue Service has determined the Organization is a not-for-profit organization as described in Section 501(c)(3) of the Internal Revenue Code and is generally exempt from income taxes. The Organization is not classified as a private foundation. The Organization evaluates all significant tax positions as required by accounting principles generally accepted in the United States. As of December 31, 2022, the Organization does not believe it has taken any tax positions that would require the recognition of a tax liability or any unrealized tax benefit that would either increase or decrease within the next twelve months. Tax years that are open for examination by taxing authorities are generally the last three tax year-ends.

Notes to Financial Statements December 31, 2022 and 2021

2. Liquidity and Availability:

As of December 31, 2022, the following table shows the total financial assets held by the Organization and the amounts of those financial assets that could be made available within one year of the statement of financial position date to meet general expenditures (i.e., without donor or other restrictions limiting their use within one year):

Financial Assets at Year-End:		2022	2021
Cash	\$	265,132	\$ 237,121
Contributions Receivable		43,927	121,777
Refundable Expenses		-	784
Cash Held for Operational Reserve		50,000	50,000
Total Financial Assets at Year-End		359,059	409,682
Less Financial Assets Held for Operational	1		
Reserve		50,000	50,000
	\$	309,059	\$ 359,682

The Organization manages its liquidity and reserves following three guiding principles: operating within a prudent range of financial soundness and stability, maintaining adequate liquid assets to fund near-term operating needs, and minimizing medium and long-term obligations. Hands Across the Sea has a Liquidity Policy to maintain current financial assets less current liabilities at a minimum of 30 days operating expenses and to target a year-end balance of reserves of unrestricted net assets to meet 45 days of expected expenditures. To achieve these targets, the Organization forecasts future cash flows and monitors its liquidity quarterly, and monitors its reserves annually. The Organization considers contributions restricted for programs which are ongoing and central to its annual operations to be available to meet cash needs for general expenditures. During the years ended December 31, 2022 and 2021, the level of liquidity and reserves was managed within the policy requirements, and the Organization did not incur any long-term obligations.

3. Contributions Receivable:

Of the total contributions receivable of \$43,928 at December 31, 2022, \$28,000 is receivable from one donor. Of the total contributions receivable of \$121,777 at December 31, 2021, \$80,000 was receivable from one donor.

4. Website Design, Net:

In the fall of 2020, the Organization invested in a newly designed website at a total cost of \$10,075. Amortization is being recorded on a straight-line basis over a three-year period. Amortization expense was \$3,392 and \$3,392 for fiscal years 2022 and 2021, respectively, and accumulated amortization was \$7,624 and \$4,232 at December 31, 2022 and 2021, respectively.

Notes to Financial Statements December 31, 2022 and 2021

5. Cares Act Paycheck Protection Program Loans:

On February 17, 2021 the Organization was granted a loan in the amount of \$33,374 at an interest rate of 1%, pursuant to the Paycheck Protection Program (the "PPP") under the CARES Act which was enacted March 27, 2020 to provide relief efforts related to the COVID-19 pandemic. The Organization used the entire loan amount for qualifying expenses and this loan was forgiven on July 26, 2021. Since the forgiveness was received in fiscal year 2021, the Organization has recorded the forgiveness of this loan in fiscal year 2021.
